

BEIGNET MIX

Dry Blend for a True Homemade Quality

A Piece of New Orleans Tradition

Beignets are an important part of New Orleans tradition and culture. Whether you're covering them in powdered sugar, dipping them in syrup, or using them for a savory dish, our mix results in beignets that are light, fluffy, and consistently scrumptious.

Labor Shortage? Our Mix Can Help

The restaurant industry continues to feel the strain of the employee shortage. As a result, many restaurants are searching for ways to cut costs.

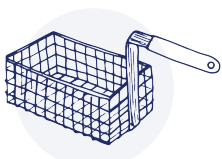

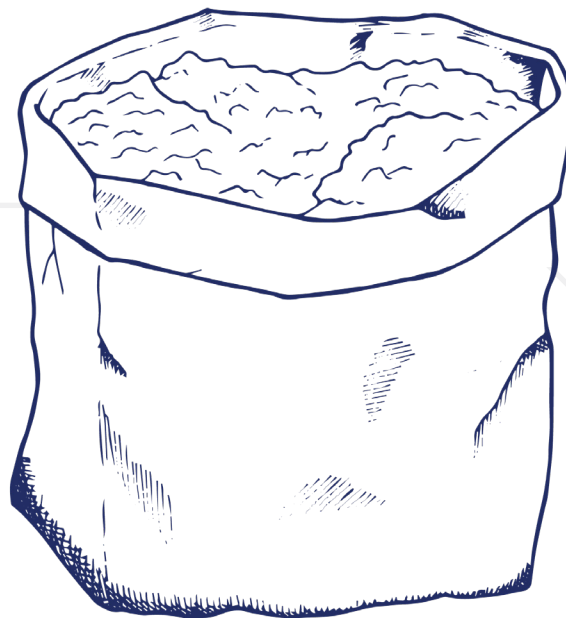

Using our just-add-water beignet mix to replace your current beignet recipe reduces the number of ingredients, saves time, and streamlines your back-of-the-house operations. Ultimately, this saves you time, money, and resources.

BEIGNET MIX

Provide a Tasty & Consistent Customer Experience

Perfectly Golden Brown

Our mix produces beignets that are perfectly golden brown. Wow your customers with a beautiful presentation, as well as flavor that's to die for.

Completely Customizable

Because our mix is just add water, it creates the perfect base for you to get creative. From adding different flavors to playing with extra ingredients, you can customize your beignets to fit your needs.

Taste of New Orleans

Our mix, trusted by beignet cafes everywhere, creates the famous crispy outside and fluffy inside authentic beignets are known (and loved!) for.
